Alright, moment of truth.

I won't spend any more sleepless nights worrying about this.

Did you just say you couldn't sleep?

You look tired. Has something bad happened?

D-don't worry. Im taking a break today. I thought I told you guys to go about your work.

Big bro, let me give you a ride over there
It's fine, I'd like to be alone for a while

BIG BRO HYUNWOONG!

The Tiger Gang has been acting strangely recently. They targeted this region despite never having gone for it before.

I fear that there's some... power behind the scenes, influencing them to move.
I'm sure that big bro is their top target for elimination.
It's fine.

I'm more than enough to take them on
I can take care of myself.

Big bro...
It's not just the Tiger Gang we're worried about...

It's the bad luck you're cursed with that scares us...

I made sure that this suit doesn't have even a speck of blood on it .
rumble

And since it's bad manners to visit empty handed I even brought some high quality chocolate...

You've done all you can, HyunWoong! Now all you have to do is go there and enjoy yourself at the tea party! You can do it, me!

Excuse me, sir?

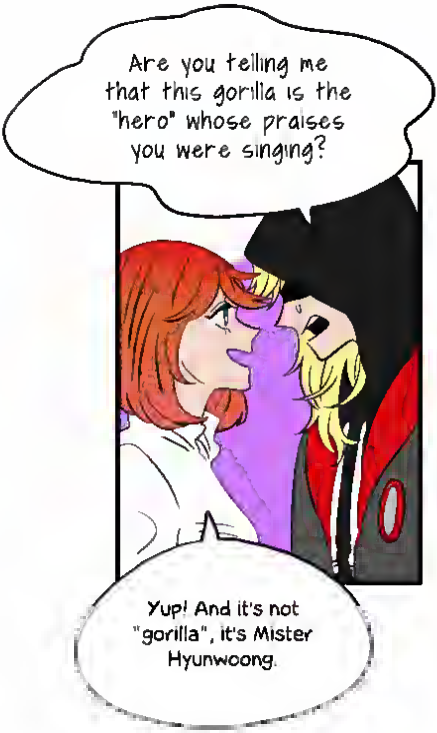
WAIT WAIT WAIT!



Are you telling me that this gorilla is the "hero" whose praises you were singing?
Yup! And it's not "gorilla", it's Mister Hyunwoong.

This man right here is the hero
that saved Bad Teddy and myself from being hit by a truck.

So! Shall we start the tea party. Huh? What's that you're holding there?
UHHHH THAT'S...

What do you think? It's the cake we were going to have for the tea party.
Stab
Swip
WHAT? THIS IS?

Let me get this straight.

You're the person this cake is meant to be given to... right?
